

THE 133 INSTITUTE

A DAY OF LEADERSHIP

with Dr. Mike and Sharon Oney

JULY 25	10 AM - 2 PM	LUNCH PROVIDED

Core leaders, as we gear up for fall, we want to take intentional time to invest in the people helping carry the work of ministry. We are thankful for your leadership in the body of Christ and invite you to join us for a focused morning of encouragement, equipping, and unity.

Dr. Mike and Sharon Oney are experienced pastors, church planters, and ministry mentors with a deep heart for strengthening pastors and developing leaders in the local church. Through Paul to Timothy Institute, they have given their lives to helping churches raise up Spirit-empowered leaders who serve with wisdom, maturity, and purpose. Their ministry brings together years of pastoral experience, church planting, leadership development, and a passion to see pastors equipped to mentor the leaders God has placed around them.

Dr. Mike Oney was called to develop leaders and churches at age 21, pioneered two churches with Sharon, directed 23 additional church plants, authored three books on ministry leadership development, served as an adjunct professor, and holds a Ph.D. in Organizational Leadership from Regent University.
