UNITY CHURCH

MAGNOLIA

Dear Leader(s),

I want to take a moment to personally thank you and your family for the way you serve the body of Christ through Unity Church. Your faithfulness, consistency, and willingness to give of yourselves mean more than you know. Week after week, you help strengthen this church and help create a place where people can encounter Jesus, grow in their faith, and find their place in the family of God.

I also want you to know that I see leadership in you. I see it in your heart for people, your willingness to serve, and your commitment to the work of the Lord. I am grateful for the way you lead, and I believe the Lord has more ahead for you and your family.

As we prepare to launch The 133 Institute this September, I am excited about what it will mean for Unity Church. Our desire is to help equip believers, strengthen leaders, and raise up people for ministry in a way that is biblical, practical, and rooted in the life of the local church.

Because of that, we would love for you to join us for a special Day of Leadership on July 25. This day is simply an opportunity for us to pour into you, encourage you, and invest in you as a leader. It is separate from The 133 Institute and is not a sign-up for the institute.

Thank you again for the way you serve. We are grateful for you, grateful for your family, and believing God for a strong and fruitful season ahead. It is a joy to labor alongside you.

With gratitude,

Pastor Mike
