How to Bring

Assemblies of God Theological Seminary

Step 1:

Host the 7 Biblical Mandates for Mentoring Ministry Leaders Conference

In a one-day setting, we train your network leaders as mentors for your ministry network.

This conference is based on seven mentoring principles found in 2 Timothy, used by the Apostle Paul to develop Timothy as a pastor.

The things which you have heard from me in the presence of many witnesses, entrust these to faithful people who will be able to teach others also.
